Safer Recruitment Policy

Date: February 2022
Review: Spring 2024

Safer Recruitment Policy

The Safer Recruitment initiative is an essential part of Safeguarding, allowing the school's Leadership Team to:

- identify the key features of staff recruitment that help deter or prevent the appointment of unsuitable people;
- consider policies and practices that minimise opportunities for abuse or ensure its prompt reporting;
- help us to review our policies and practices with a view to making them safer.

The latest government guidance emphasises that all organisations that work with children share a commitment to safeguard and promote their welfare and that all organisations that provide services or work with children should:

- have a Leadership Team that is committed to children's well-being and safety;
- be clear about people's responsibilities to safeguard and promote children's welfare;
- have effective recruitment and human resources procedures, including checking all new staff and volunteers to make sure they are safe to work with children and young people;
- have procedures for dealing with allegations of abuse against members of staff and volunteers;
- make sure that staff receive training that helps them to do their job efficiently;
- have procedures about how to safeguard and promote the welfare of young people.

The All Saints Schools Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. In order to ensure this, our recruitment and selection policy is in accordance with both local and national guidance.
