

As we very quickly approach the end of the first half-term we have had yet another busy week in school. Thank you for attending the parents consultations this week, it was great to see everyone back into school and hear about such positive starts to the new academic year. We hope you found the evening useful.

The Year 3 children were able to present their ballet to parents and carers on Tuesday. What an excellent performance the children did! Over the past six weeks' they have all acquired new skills and movement knowledge. The growth in confidence that the children showed was outstanding. This week we have begun the process of relaunching our School Council. We had an assembly where Mrs Cowling spoke to the children about the qualities we need in our new members. The children then told their teacher if they were interested in joining the school council. We are having two School Council members from each class, then we will have a meeting every three weeks. We will introduce our team after half-term!

Have a lovely half-term break, we'll see you back on Monday 31st October!
