

Friday Flyer

3rd March 2023

Moment of the Week:

After a very long time in the planning and creating process, the time arrived yesterday to finally open our brand-new library!! A very exciting day, coinciding with our World Book Day Celebrations. We were able to welcome Sarah Stamp, local Councillor, to come to the grand opening as she donated £1000 to help us purchase some of our new books. The school council representatives enjoyed being part of the big reveal. Today all children in school have visited the library and have brought home their first library book that they can keep for a week. Lots of new reading opportunities in a lovely new space for us to all enjoy.

Spotlight on:

Yesterday Year 2 were very lucky to be specially invited to West Suffolk College for an exciting STEM day. The children have experienced VR, a green room, motion capture, gaming, programming and creative coding! We are very proud of the children and how well they represented Hardwick and got involved with all the activities on offer.
